

## Making a Reservation

The Inflatable Planetarium is available for rental with advanced reservation.

When making a reservation, please be able to provide:

- Location of setup
- Date(s) requested
- Age of audience
- How many presentations
- Desired length of each presentation
- Specific topics/interests for content
- Primary contact information

## Program Topics

Our suite of planetarium software allows us to cover a variety of topics for presentations in the inflatable planetarium. We also have the capability to show Full Dome planetarium films. We have the capability to tailor our presentations based on the age group of the audience. Below are some of the topics that we can cover in the inflatable planetarium:

- Constellations
- The Solar System
- The Sun (and other stars)

## The Inflatable Planetarium in Action

The Inflatable Planetarium set up in the gymnasium at Garfield Elementary School, Sioux Falls
